

## The Ridgeway CE Primary SCHOOL PE PREMIUM EXPENDITURE 2020-21

**Last update: 21.09.20**

**£16,000 + £10 per head years 1-6 = £16,890**

This year, schools have received PE and Sport funding. This funding must be used to fund sustainable improvements to the provision of PE and sport. All pupils must be supported to lead healthy active lifestyles and have their wellbeing supported throughout primary school. This will encourage them to develop healthy, active lifestyles in the future. In the 2020-21 academic years we will receive £16000 plus £10 per eligible pupil.

Academic year: 2020-21			
Sport premium key outcome indicator:		Actual (and planned) funding:	Evidence.
<b>Values and recognises the impact of high quality PE and school sport (high sporting profile).</b>			
<b>Develop and train sports leaders within the school</b>	Our new Sport Coach/Classroom TA to take an active role in training the sports leaders providing them with games and ideas to teach the younger children.  Children to manage and run competitions collecting data of children taking part.  Children to lead lunchtime activities.  Children to help run intra school competitions.  Activity at lunchtime is encouraged and maintained by the sports leaders.

<p><b>Increase in competitive inter and intra school sport. Especially for KS1 children</b> (inc. transport)</p>	<p>Around the world wow days and competitions to be run by our PE coach. Aim is for this to happen x3 a year.</p> <p>KS1 (key aim) and KS2 competitions to happen between us and the other 7 Spring line Partnership schools. Another key aim is for this not just to be in football. We want to broaden the sports on offer.</p> <p>Sports leaders to run a series of lunchtime sports competitions over the year.</p>	
<p>Increase our children's understanding of healthy food and diet</p>	<p>Create a much larger vegetable and fruit garden in the school grounds. Aim is for 28 m2 of land to be rotavated and set up for growing. This will happen next to the pond and flower area. Children will be fully involved in the entire process from set-up to harvesting. We will also buy cooking stoves for each classroom so the children get the opportunity to cook fresh produce at school and to learn about healthy recipes and how to cook. Once up and running, newsletters will then contain recipes for families to try at home linked to what the children are growing at school. Future plans would</p>

This will encourage them to develop healthy, active lifestyles in the future. In the 2020-21 academic years we will receive £16000 plus £10 per eligible pupil.

(Additional funds – playground equipment- if not Sainsbury's vouchers).

We will ensure that these improvements are sustainable by establishing firm links with surrounding primary schools as well as feeder secondary schools to ensure that inter and intra school competitions continue as well as establishing training hubs for our teachers and TAs to attend to further their abilities in delivering physical education.
